DEDICATION

MR. CARLOS SURRATT

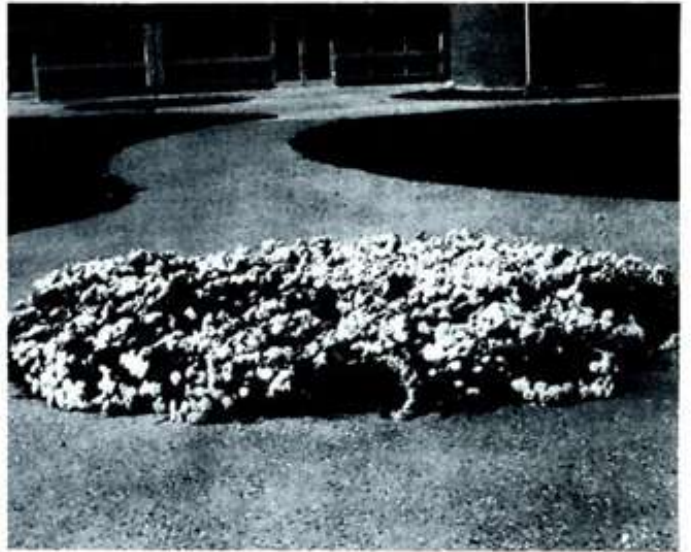

DEAN OF

EVENING PROGRAMS

"Of all the pleasures
life can bring,

friendship is the
sweetest thing."

"Nature befriends us
with beauty she sends us."

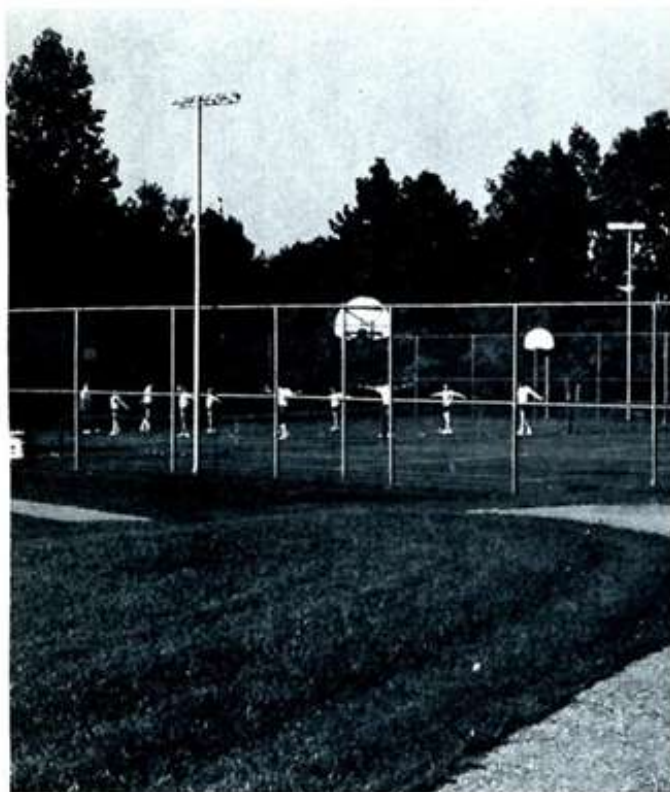

Quick medical advise.

I like this one better.

O, its so pretty out here.

Let's try this note now.

These dimensions don't look right.

Now to cut it straight.

You didn't cut it straight.

Watch your thumb!

Today's discussion will be . . .

That's to long a shot . . .

this ones just right.

"For all your fashions
and household needs."

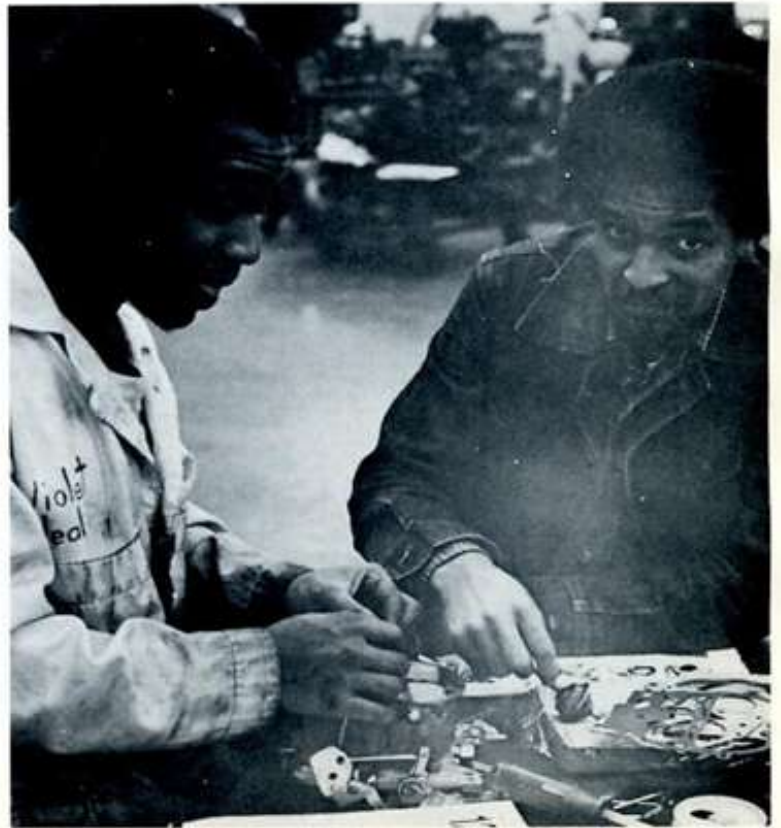

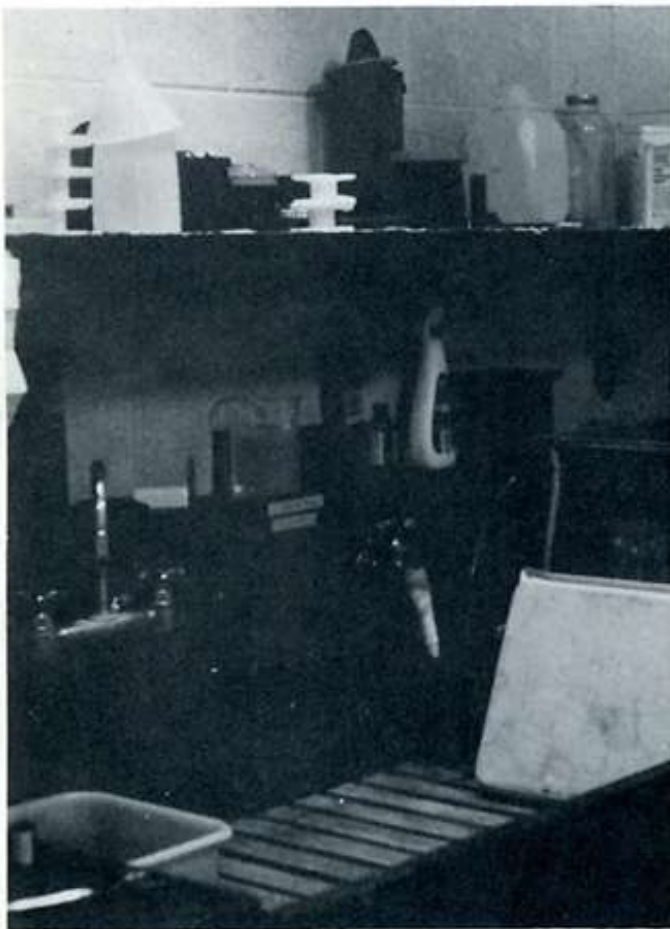

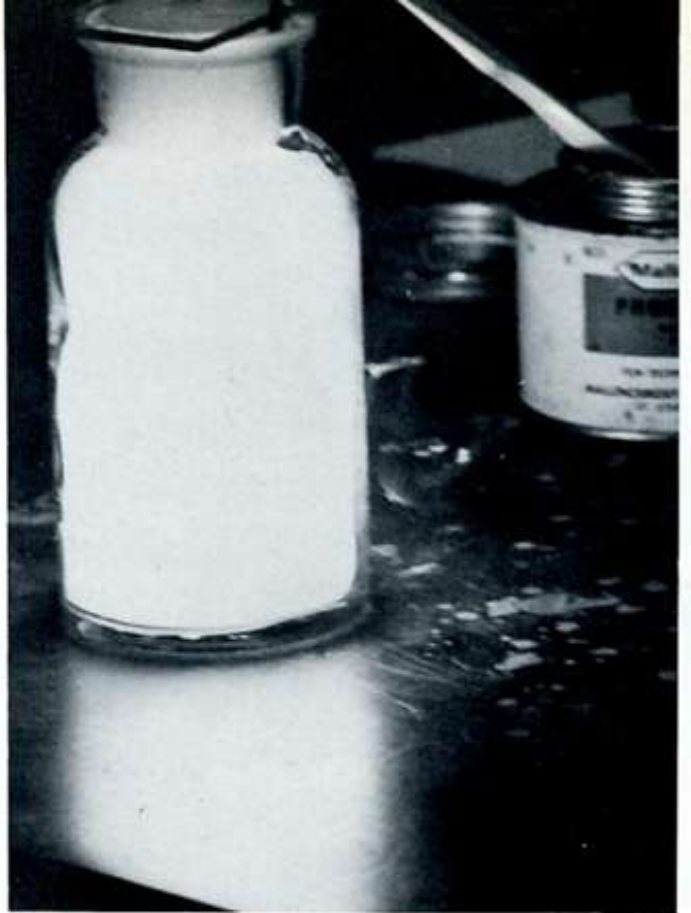

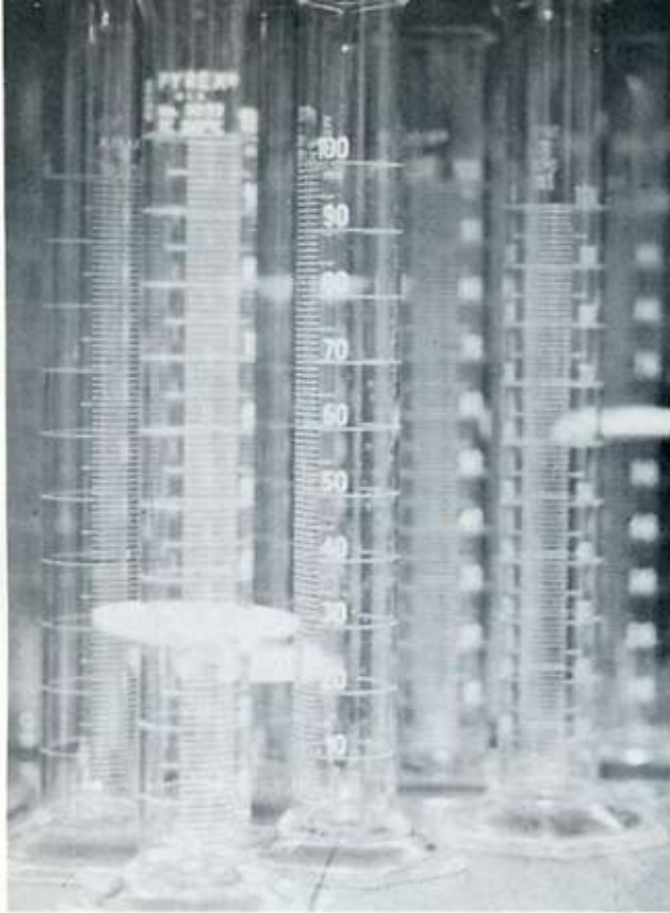

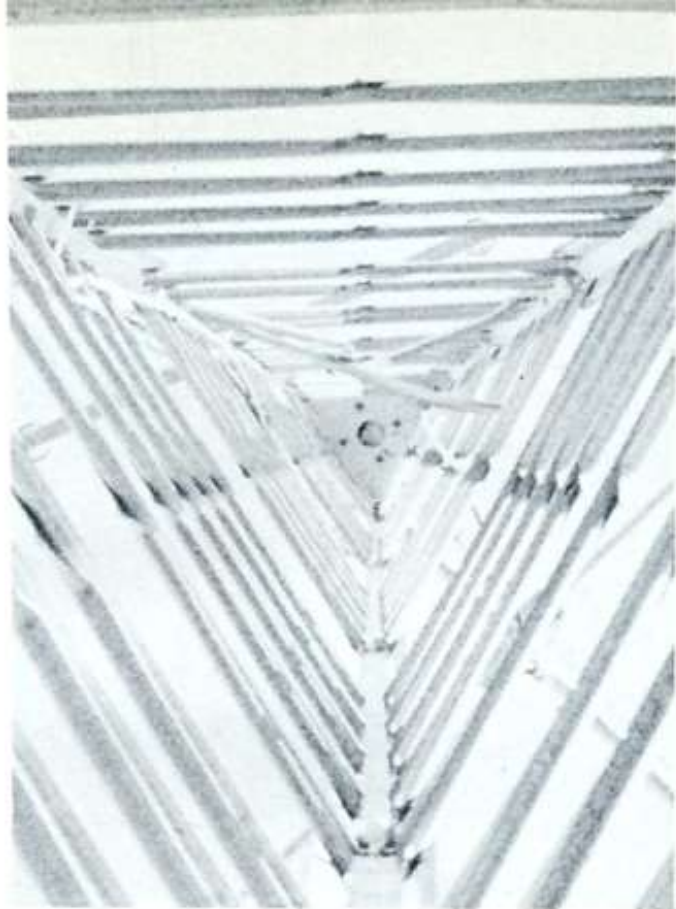

Pushing a button is fun.

It speaks for itself.

Don't they look like "A" students.

Studying in the sunshine is good for you.

Some people has got it, and some don't!

School makes you go crazy sometimes.

Where else can I park when the parking lot is full.

"A loving heart is the beginning
of all knowledge."
